**Three way calling**

Set up first call, use "R" to put first call on hold and set up second call, Pressing "R" then 3 will set up three way (conference) call.

To end the first call, use Recall + 3

To end the second call, use Recall + 7

Some of these services are available on a “Per use” basis, others are subscribable services which BT would provide for an extra charge on your bill.

Thanks to Andrew Tebbutt for the above.
